Our Board of Directors have worked hard to plan functions that will bring us all together to socialize and help inspire each other and spread the power of optimism in our industry. Being a member of the Electrical Association of New Orleans offers a great way to meet new prospects, build business relationships, and market your products or services. We are currently working on bringing continuing education to our membership as well as scholarship opportunities within our industry. Please feel free to reach out to one of our Board Members with any inquiries about our Association and for more info on our Sponsorship levels.
